

## A JOURNEY WITH SISTERHOOD

Life is a journey, or in reality, more like a series of journeys. Some are long, some are short. Some are side trips, some day trips. Some are even detours. Some we share. Some we make alone.

For some of us, the most difficult part of any trip is making the decision to go: overcoming inertia, making arrangements, finding the time, taking the first step.

For others, being on the road is the hardest part. For still others, being in an unfamiliar place may be unsettling.

Journeys with Sisterhood are always met with fervor and enthusiasm. Those who have taken those journeys know how rich and rewarding the experience is.

Because we make them together, we are richer and wiser and possess a heightened sense of identity.

You are invited to take a journey with Sisterhood.
