Community Commitment Support - July 1, 2016 to June 30, 2017

Please return all forms to the Oak Park Temple office by June 30, 2016

Our ability to welcome all Jews who wish to worship with us depends on the generosity of you, our congregants. To ensure that this tradition continues, we ask that you be thoughtful about your financial ability to contribute and, if you are able, to consider pledging at a higher level so that our Temple can remain open to those who could not otherwise afford to be part of our community.

If you have any questions about your Oak Park Temple Community Commitment, please contact Temple Administrator Danielle Sandler at (708) 386-3937.

- **The recommended, sustaining support level for Community Commitment is \$3100 per household.**
- If you are able to give more than is recommended, please contribute at a higher level to help support members who cannot meet the recommended contribution.
- If you are unable to commit to **\$ 3100**, please consider increasing last year's contribution by at least \$100.
